Painting on Save Environment

KC College of Engineering & IT, Nawanshahr celebrated 'Painting on Save Environment'. Students from different departments of KCCEIT participated in painting activity. The students were made aware of the environment and surroundings. The students made a beautiful painting that was giving the message to keep the surroundings clean and save the planet Earth. The college staff also motivated the students to contribute towards the protection of the environment. In the painting activity, Gajeet Kumar from Civil Engineering Deptt. Won the first position, Akramul Khan from CSE Deptt. Got the second position.
